

**Fast and Friendly**

Economical Del Sol printers deliver labels and tags at 3 ips, yet are very easy to use. The stylish clamshell case features an integral metal tear bar for added convenience. Standard serial and parallel ports, an internal ethernet option, and an exclusive label design software package help make everyone a label printing expert. 100% *inControl* and e+Solutions compatible, Del Sol is also an ethernet ready printing solution. Del Sol is fast and friendly.

**Smart and Sophisticated**

Del Sol printers are the only desktop printers with an available 500 foot label roll or fan-fold option, plus the ability to print on 10 mil tagstock—that's roughly the thickness of a business card! Advanced memory management and large memory capacity let the Del Sol print complex labels fast. Flash memory permits non-volatile storage of pre-imaged labels, user fonts, and graphics for instant printing. Del Sol's top-of-the line features redefine bar code printing versatility.

*Del Sol is the most versatile desktop printer on the market with leading edge power, performance, and a low price point.*

500 foot media roll option.

<b>Typical Printhead Life</b>		2,000,000" 50km	2,000,000" 50km

## Features and Benefits

## Connectivity

Get connected quickly and easily with standard serial and parallel ports. An optional internal ethernet port adds further flexibility.

## Large Roll Capacity

Spend less time swapping media and more time printing labels with Del Sol's massive 7" O.D. user-configurable option. Measuring in at over 6,000 inches long, this is the largest roll in its class!

## Serviceability

Quickly replace the printhead and platen without removing the printer from service.
